

Children of GOD

Changing your life during Lent What you do matters to God

God's love is immeasurable

Sunday 3/22

During Lent we are asked to be generous. Generosity is an attitude and a gift from God to be shared. We can show that through our kindness to others.

Monday 3/23

At all times, but especially during Lent, we seek to get closer to God through our prayers.

Tuesday 3/24

Our lives are full of activities. There is school, homework, chores, family, sports, church, and many other things. Do we thank God for all our blessings?

Wednesday 3/25

God is everywhere. The Church is His house. When we visit there do we thank God for the time we spend in His house?

Thursday 3/26

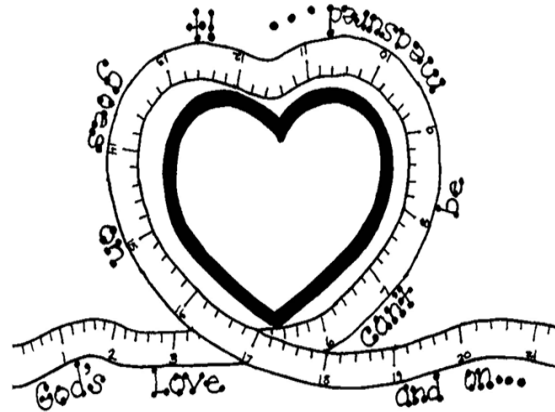

The 8th Commandment: "Thou shall not lie". It is very important that we be honest with each other.

Friday 3/27

God values the fair and just ways we treat other people. We must be fair, just and kind in our thoughts, our words and our actions toward other people.

Saturday 3/28

Being fair and kind to other people means that we should not judge others because they look or speak differently than we do.

Seek God's love everywhere
